Dear Johan

Once again Absa and Barclays Africa AgriBusiness would sincerely like to thank you for the time and effort spent in contributing to our well received farmer's day at Ghanzi, Botswana on the 6th July 2015. Feedback received from our clients was overwhelming and we will surely be earmarking the event as groundbreaking.

As a show of our appreciation please also accept a case of our Absa Pinotage Top Ten award winning wines which we hope you will enjoy at your leisure.

Warm regards

Brienne van der Walt
